Advertisement for internship position at the Department of Environmental Biology and Wildlife Sciences, Cotton University

Advt. No. Recruitment/CU/2022/10

Dated: 13/05/22

Applications are invited for **one** temporary internship position under the DST-SERB research project titled "*Estimation of greenhouse gas fluxes (methane, carbon dioxide and nitrous oxide) from Deepor Beel, a Ramsar wetland site of Assam, and identification of associated environmental factors*" ongoing at the Department of Environmental Biology and Wildlife Sciences, Cotton University.

Duration: Two months (June and July, 2022)

Student assistantship: INR 5000/- per month as per DST-SERB guidelines

Eligibility: Students currently pursuing M.Sc. in Environmental or Allied Sciences can apply for the position.

Selection Procedure: Selection will be done on the basis of merit and the selected candidate will be intimated through email. Certificate will be provided on satisfactory performance and successful submission of completion report.

How to apply: Interested candidates are requested to apply on or before **20th May 2022** by email to leeborah@gmail.com. The following documents should be attached with the email:

- Updated CV
- Scanned copies of mark sheets and pass certificates from 10th standard to graduation
- Marks sheets of M.Sc. semesters completed till date if available
- NET/SLET/GATE or any other competitive exam cleared certificate if available
- Any other academic achievement certificate if available

For any clarification, please contact Dr. Leena Borah, Principal Investigator of the project (Mobile no. 9864904272; Email – leeborah@gmail.com).
